

Egyptian Company for Gas Services

Egyptian Company for Gas Services

One of The Petroleum Sector Companies

www.ecgs-eg.com

CHAIRMAN MESSAGE

Proudly I have joined **ECGS** team, where every single member strives to achieve indorsed with client's satisfaction.

We are here committed to create new and progressive approaches to oil, gas and petrochemicals fields services including onshore and offshore activities, as well as contributing to the new updated technologies related to the petroleum sector.

We seek to create value by maximizing the corporate work volume, operating revenues and the continual enhancement of the economic income, while trying to meet the expectations of our shareholders, employees, clients, suppliers as well, however that would not be possible unless there is continual encouragement from our most reputable shareholders, the great sounding of ECGS shareholders (GOLAR LNG - Egyptian Natural Gas Holding Company (EGAS) - HK Petroleum No.2) had assisted ECGS in building her own value and reputation since the establishment. Ranked from the first ones who introduce the latest technologies, is our aim; we keep closely of the newest techniques and continue to innovate .

We also contribute to the welfare of the petroleum entities, as a result; ECGS has established a long history for developing and providing high quality services to the petroleum sector by pursuing to reach the highest qualities for our products, services and operations to attain the uppermost levels of clients' satisfaction and social value.

Our success would not be possible without the continual encouragement of the company's shareholders, the significant contribution of our clients and dedicated employees who have shared in our incredible journey thus far.

We look forward to continuing to serve and support all of you in our efforts to exceed beyond the expectations .

Sincerely,

Chairman & Managing Director
